A woman with blonde hair, wearing a black leather jacket, a grey scarf, and blue jeans, is sitting on a wooden chair at an outdoor cafe table. The cafe has a green frame and a sign that says "BRICK ALLEY CAFE". There are autumn leaves and string lights in the background. The text "WHO ARE YOU in your DREAM LIFE?" is overlaid on the image.

WHO ARE YOU

DREAM LIFE?

It's a rainy Saturday at your favorite coffee shop, and you have an appointment with a very special friend. Your list of interview questions feels like it's burning a hole in your pocket.

The door swishes open and you sit up a little bit straighter, wrapping your hands around your steaming cup. There she is. Future You. Your Dream Life looks good on her.

She scans the coffee shop and her eyes light up as they settle on you. "Hey." Her voice is warm and familiar as she slides into the chair across from you. "It's good to see you. I've got time. What did you want to know?"

You pull out your list of questions. "I thought you'd never ask."

When I'm living my dream life, I will let go of: (people-pleasing, ignoring my gut, media addiction, lone wolf attitude, hustle culture, arguing with idiots...)

When I'm living my dream life, I will say no to friends who don't have: (honesty, willingness to learn, deep listening, ability to have fun, flexibility, curiosity...)

When I'm living my dream life, my family will know me for: (honesty, setting boundaries, the fun moments I create, loyalty, peacefulness, confidence...)

When I'm living my dream life, I will make time to: (send gifts to friends, meditate, volunteer, feed my creativity, read books, learn one new skill per year...)

When I'm living my dream life, my main pursuits will be: (traveling, gardening, writing, hosting, music, getting together with friends, athletics...)

When I'm living my dream life, I will be the kind of person who: (inspires others, is mysterious to others, makes room for play, pursues knowledge, brings people together...)

When I'm living my dream life, my daily closet will be: (artistic, streamlined, endless, fashionable, fun, vintage, surprising, trendy, classic...)

When I'm living my dream life, I will be free to dress like: (a movie star, my grandma, a hippie, a Victorian ghost, Taylor Swift, my yoga teacher, Iris Apfel...)

When I'm living my dream life, I will say yes to friends who value:
(honesty, empathy, making money, curiosity, self-awareness,
challenging themselves...)

When I'm living my dream life, I will live in: (a cottage, a castle, a condo,
a treehouse, a yurt, a hobbit hole...)

When I'm living my dream life, I will spend money on: (enriching experiences, my friends, investing, books, antiques, personal coaching...)
